EVERY ACTION COUNTS

WE ARE GREEN SPACES INITIATIVE

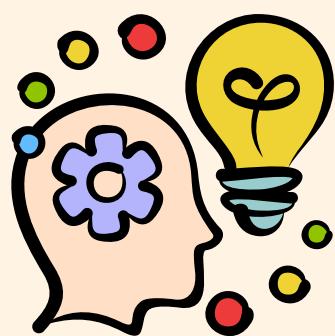

AND WE NEED YOUR HELP!

WHO ARE WE?

A group of passionate high school students from John P. Stevens in Edison, NJ, working to protect and improve our environment.

TAKING INITIATIVE

We design and lead our own eco-projects, raise awareness, and organize events that inspire our community to act.

WHAT WE DO

From landscaping and cleanup projects to building, renovating, and environmental data collection – we get our hands dirty for a cleaner planet.

HOW YOU CAN HELP

Support our mission by volunteering, collaborating, donating supplies, or simply helping spread the word.
